By indicating your willingness to present at the Society of Pediatric Nurses 30th Annual Conference in Anaheim, CA, you agree to the following:

1. I grant SPN permission to share my presentation handouts and supporting documents to registered attendees for the purpose of enhancing the overall learning experience. I understand that SPN will share the presentation handouts in PDF format to be hosted on the SPN website. This material will only be accessible to conference attendees.

2. I grant SPN the non-exclusive right and license to reproduce, distribute, and sell any written material submitted in connection with my oral or poster presentation as part of a continuing education independent study module in the form of audio/video tape, or any other computer related product or publication published under the auspices of SPN.

3. I grant SPN the non-exclusive right to use my name, voice, photograph and biography in connection with the presentation and the written materials. I grant SPN the right to edit the transcript of my presentation, provided the edited version is submitted to me beforehand for comment and approval.

4. I warrant that my presentation and any written material I submit are original, that their publication will not infringe on the rights of others, and that I have full power to grant this license. Should my presentation or written materials require permission for use by SPN, I agree to obtain that permission from the copyright holder.

5. I reserve all rights not granted above and retain the original copyright of my material.

6. I have disclosed to the Nurse Planner all potentially biasing relationships of a financial nature that exist or have existed within the last 12 months for both myself and my significant other (if applicable). I understand that these relationships will be shared with the learner.

7. I will prepare a fair and balanced presentation/independent study that is objective and scientifically rigorous. Content will be well-balanced, evidence-based, and unbiased.

8. I will use generic names to the extent possible when discussing specific health care drugs, products or services. If trade names are used, I will use trade names of equitable products from several companies when available and not just trade names from a single company.

11. I agree not to include any logos other than SPN’s on audiovisual material other than on a title slide/page. I understand that under no circumstances are commercial interest (as defined in the disclosure form) logos to be included.

12. I understand that the Nurse Planner for this activity may review my presentation and/or content prior to the activity and I will provide educational content and resources in advance as requested.

13. I understand that should the event be postponed due to an act of God (i.e., fire, flood, curtailment of all transportation services, civil unrest, etc.), all obligation on the part of SPN or myself will be null and void unless the event is rescheduled, in which case both parties will work together to agree on an alternate date for the event to be held.

14. I agree that SPN will not be held responsible for royalties or damages resulting from intellectual property infringement from either (I) SPN’s use and distribution of the Program Materials in a manner consistent with this agreement, or (II) use or misuse of any of the Program Materials by any person who obtains the Program Materials (directly or indirectly) as a result of the SPN’s permitted use and distribution of the Program Materials.
