I am interested in joining the Society of Pediatric Nurses (SPN) which is the premier pediatric society representing over 3,600 pediatric nurses and 28 specializations. SPN strives to support nurses in their practice by providing educational resources, news in pediatric trends and opportunities to network with nurses around the country. As an SPN member I will have access to:

- Up to 26 free continuing education credits per year
- Live SPN educational webinars
- The Journal of Pediatric Nursing
- SPN toolkits and resources — core competencies, clinical practice guidelines and position statements
- Discounts on SPN online education center offerings
- Discounts on registration for the SPN Annual Conference and Annual Conference recordings that I may have missed
- The ability to join SPN local chapters, SIGs and discussion forums
- The opportunity to bring forward our facility's goals through holding office and voting in SPN
- A subscription to SPN eNews for trending pediatric news and updates that I can share with my colleagues

As an SPN member, I will be able to leverage these opportunities that will allow me to be more efficient and effective as an employee through access to the most comprehensive, reliable and trending pediatric practices and educational resources. I am seeking support for the cost of an annual membership, which is \$115. SPN also offers a discounted group rate, for 5 or more new memberships, which can be accessed through contacting the National Office at info@pedsnurses.org.

Thank you for considering this request and I look forward to your reply. For more information about SPN membership, you can visit <http://www.pedsnurses.org/>.

Sincerely,
